Appliqué Supplies

The focus of this workshop will be to design your own one-of-a-kind papercut appliqué designs. Until your design is complete, you may not know whether you would prefer to use hand or machine appliqué techniques. I recommend bringing fusible web if you're not sure.

- fat quarter of background fabric, pre-washed
- fat quarter of appliqué fabric, pre-washed
- fabric scissors - small

For machine appliqué:

- fusible web - at least 12" x 12"
 - for example: Lite Steam A Seam 2 or Heat'n Bond Lite

For hand appliqué:

- freezer paper - at least 12" x 12"
- thread to match appliqué fabric
- basting thread, if desired
- appliqué needle, pins
- fabric marking pen or pencil
